

Special design for off-grid areas, freely choose the lighting mode you need.

Greatures:

Stable Power Box Big capacity and multi-functional

- Hi-capacity lithium battery of self-protection
- Non-standard DC 12V output for wide appliance charges
- Mobile phone charging

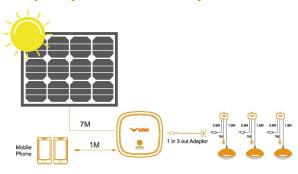

Super lamp lights up your home.

- 400 Lumens super brightness
- 12H super long-last lighting with power box fully charged
- 3-level light outputs, meet you all kinds of demands

Easy Installation Simple operation and easy extension

Remarks: Mobile phone is not included in HP120-VP1L3

HP120-VP1L3
