

OVSOLAR POWER COMPANY LIMITED

HP30B-VL3T

Pico Solar Home Lighting System

UFO Lights

Super Brightness (200 Lumens)

Remote Control

Phone Charging

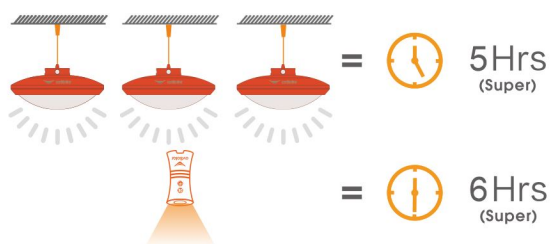

Special design for off-grid areas, freely choose the brightness you need.

Stable / Easy Installation / 2-Year Warranty

Great Design Features:

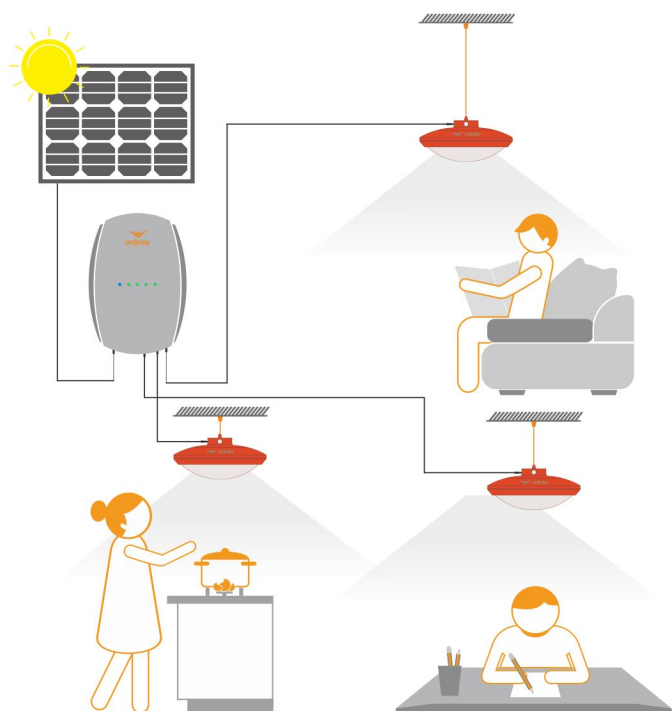

Functional and Stable Power Box: Support long-lasting Lighting

- Full battery working time:

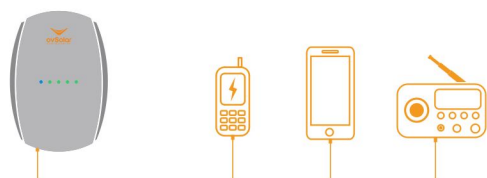

Multi-brightness Lamps: offer a best atmosphere at home

- 3 levels output of each lamp, meet more brightness needs.

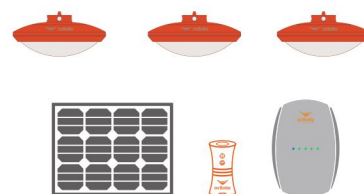

USB Charging

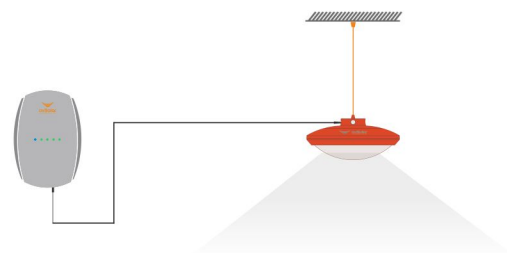

- 2 standard 5 V USB output ports, meet various devices.

Main Parts

Lamp Control

Method 1: Remote Control

Method 2: Lamp Button Control

HP30B-VL3T

SPECIFICATION:

Performance Details		
	Brightness Setting***	
Performance Measure	3 lamps in Super	Torch in Super
Full battery run time* (hours)	5	6
Run time per day of solar charging* (hours)	3.5	5
Product Details		
Manufacturer name	ovSolar	
Product name	HP30B-VL3T	
Contact information	info@ovsolar.com	
Website	www.ovsolar.com	
Warranty information	2-year warranty covering manufacturing defects	
Lighting Details		
Lamp light output	Lamp: 10 Lumens / 100 Lumens / 200 Lumens	
	Torch: 20 Lumens / 6 Lumens / 60 Lumens	
Lamp characteristics	Type: LED CRI: 83	
	CCT: 5000 K-6500 K	
Power	Lamp: 1.8 W Torch: 1 W	
Special Features		
Mobile charging	2 standard USB interfaces	
USB Charging Cable	1 USB-A to Micro USB cable	
PV Details		
PV module type	Polycrystalline silicon	
PV power	8 W	
Battery Details		
Battery capacity	Power Box: 8000 mAh Torch: 2000 mAh	
Battery characteristics	3.7 V Li-ion battery
